Dear Parent:

Hemphill High School is sharing this information about the district and your child's campus with you as part of its obligations under the federal No Child Left Behind Act of 2001 (NCLB).

Federal Report Cards for the state, the district, and each of the district's campuses are now available on the district's website at this link: www.hemphillisd.net or are also available on the Texas Education Agency's website at:

https://tea.texas.gov/Finance_and_Grants/Grants/Federal_Report_Card/.

Information on these report cards includes:

Part I: Percent Tested and Student Achievement by Proficiency Level – Provides the State of Texas Assessment of Academic Readiness (STAAR) performance results and participation for each subject area and grade level tested.

Participation reports also include reports of the participation of Children with Individualized Education Plans (IEPs) by assessment type.

Part II: Student Achievement and State Academic Annual Measurable Objectives (AMOs) — Provides the AMO outcomes and data table of STAAR performance results for each subject area tested in the accountability subset. This section also includes participation rates on STAAR for reading/English and mathematics, use of alternative assessments, plus four-year and five-year graduation rates.

Part III: Priority and Focus Schools – Priority schools are the lowest 5% of Title I served campuses based on performance in reading and mathematics and graduation rates. Focus schools are 10% of Title I served campuses, not already identified as priority schools, that have the widest gaps between student group performance and safeguard targets.

Part IV: Teacher Quality Data – Provides information on teacher quality in three parts.

Part A – Percent of Teachers by Highest Degree Held – Professional qualifications of all public elementary and secondary teachers in the Texas.

Part B and C – Teachers with Emergency/Provisional Credentials, Low Poverty/High Poverty Summary Reports – Percentage of all public elementary and secondary school teachers teaching with emergency or provisional credentials, disaggregated by high-poverty compared to low-poverty schools.

Part V: Graduates Enrolled in Texas Institution of Higher Education (IHE) — Provides the percentage of students who enroll and begin instruction at an institution of higher education in Texas during the school year (fall or spring semester) following high school graduation.

Part VI: Statewide National Assessment of Educational Progress (NAEP) Results – Provides most recent NAEP results for Texas showing reading and mathematics performance results and participation rates, disaggregated by student group.

If you have difficulty accessing the information from the website, hard copies of the reports are available at the district or campus office. If you have questions about the information, please contact Marc Griffin, Principal.

Sincerely, Mary Marfun Marc Griffin, Principal

Part III: Priority and Focus Schools

Priority schools are 5% of Title I served campuses based on performance in reading and mathematics and graduation rates. Priority schools include TTIPS schools, campuses with graduation rates less than 60%, and lowest achieving campuses based on Improvement Required status and reading/mathematics performance in the selected student groups. Focus schools are 10% of Title I served campuses, not already identified as priority schools, that have the next lowest achieving campuses based on Improvement Required status and reading/mathematics performance in the selected student groups.

Priority School Identification: Priority School Reason: N/A Focus School Reason: N/A

Focus School Identification: No

A high-performance reward school is identified as a Title I school with distinctions based on reading and mathematics performance. In addition, at the high school level, a reward school is a Title I school with the highest graduation rates. A high progress school is identified as a Title I school in the top 25% in annual improvement; and/or a school in the top 25% of those demonstrating ability to close performance gaps based on system safeguards.

Part IV: Teacher Quality Data

Part IV A: Percentage of Teachers by Highest Degree Held

Professional qualifications of all public elementary and secondary school teachers in the State of Texas. The distribution of degrees attained by teachers are shown as the percentage of total Full-Time Equivalent (FTE) count of teachers with no degree, bachelor's, master's, and doctorate degrees.

	Campus			
	Number	Percent	District	State
			Percent	Percent
No Degree	0.0	0.0%	0.0%	1.2%
Bachelors	18.7	78.9%	75.0%	74.5%
Masters	5.0	21.1%	25.0%	23.6%
Doctorate	0.0	0.0%	0.0%	0.6%

Part IV B and C: Teachers with Emergency/Provisional Credentials, Low Poverty/ High Poverty Summary Reports

The percentage of all public elementary and secondary school teachers teaching with emergency or provisional credentials, disaggregated by high-poverty compared to low-poverty schools. For this purpose, high-poverty means schools in the top quartile of poverty and lowpoverty means the bottom quartile of poverty in the state.

Part V: Graduates Enrolled in Texas Institution of Higher Education (TX IHE)

This section provides the percentage of students who enroll and begin instruction at an institution of higher education in the school year (fall or spring semester) following high school graduation. The rate reflects the percentage of total graduates during the 2013-14 school year who attended a public or independent college or university in Texas in the 2014-15 academic year.

Year Enrolled in Higher Education	Campus	District	State
