

December 15, 2014

Dear Parent,

Attached you will find a copy of the State of Texas 2013-14 School Report Card for [name of school]. This is a report required by the Texas Legislature and prepared by the Texas Education Agency. It is to be sent to the parent or guardian of every child enrolled in a Texas public school. The report provides information concerning student performance on the State of Texas Assessments of Academic Readiness (STAAR), as well as information on student enrollment, class size averages, and financial expenditures.

The information contained in the School Report Card is required by state law and is briefly described in the enclosed "2013-14 School Report Card Definitions." The report for our school may or may not have all the information described, because the information presented depends on whether the school is an elementary, middle, or high school.

State law requires that the school report card display information about the state, the district, and the school. Where possible, the information must be reported by race/ethnicity and socio-economic status of the students and must include at least two years of results.

The School Report Cards can be found online at:

**2014 Performance Index**

State accountability ratings are based on four performance indexes: Student Achievement, Student Progress, Closing Performance Gaps, and Postsecondary Readiness. The bar chart below illustrates the index scores (ranging from 0 to 100) for this campus for a given index. The *Target Score* -- the score required to meet each index's standard -- is indicated below the index description and as a line on each bar. In order to receive the **Met Standard** accountability rating, the campus must have met or exceeded the target score on each index evaluated.

**2014 Accountability Rating**

**Met Standard**

For 2014 state accountability, campuses are rated as **Met Standard**, **Improvement Required** or **Not Rated**. The rating, **Met Alternative Standard**, is assigned to charters and alternative education campuses evaluated under alternative education accountability (AEA) provisions.

**School and Student Information**
